

## Huron Behavioral Health

### FEES

It is Huron Behavioral Health's priority to provide service to people with Medicaid or who are considered "under resourced" (*without insurance coverage*).

Counseling Services and Specialty Mental Health Services are covered by Medicaid. If you are not covered by insurance, the charges can be adjusted based upon your income and ability to pay.

Substance Abuse Services can be billed to many insurances and coverage can be determined by calling our customer service department.

substance abuse treatment issues.

Repeat offenders treatment group  
offered on Wednesdays during daytime  
and evening hours.

Tuesday evening treatment group  
offers education and treatment on a  
variety of substance abuse issues.

## PSYCHIATRIC SERVICES

Psychiatric Services are available for  
those who qualify and are referred by  
their therapist.

## ALCOHOLICS ANONYMOUS

AA meetings held on site Wednesday  
daytime and evening. You do not  
need to be a consumer of the  
program in order to attend these  
closed AA meetings.

(Huron Behavioral Health is not associated  
with AA in any way, but we believe that it  
provides valuable support and principals for  
recovery. We strongly encourage those in  
treatment to participate in a 12-step  
program. To this end we are pleased to be  
able to offer the space for the AA fellowship  
to meet.)
