

Huron Behavioral Health

FEES

It is Huron Behavioral Health's priority to provide service to people with Medicaid or who are considered "under resourced" (*without insurance coverage*).

Counseling Services and Specialty Mental Health Services are covered by Medicaid. If you are not covered by insurance, the charges can be adjusted based upon your income and ability to pay.

Coverage and payment information can be determined by calling Access Alliance of Michigan at (800) 448-5498.

Substance Abuse Services can be billed to many insurances and coverage can be determined by calling our customer service department.
